We are committed to your total satisfaction. Our goal is to provide the high level of service you expect – prompt, courteous and reliable. Please refer to the information below with regards to initial orders, shipping, freight claims and merchandise returns.

### **Merchandise Return Policy**

All returns require a pre-authorized RGA number. Returns without prior authorization will not be accepted by the James Trogolo Co. All requests must be made as soon as possible after inspecting your shipment by contacting Customer Service at 618-542-5632.

Returned product must be in the original and complete case pack quantity.

A 15% re-stock charge will be applied for any returned merchandise due to over-stock, or customer ordering error. Additionally, freight transit and charges are the customer's responsibility for these types of scenarios.

Credit will not be issued for product returned to the James Trogolo Co. that has been retail priced.

### **Product Claims**

All claims for shorted product will be denied by the James Trogolo Co., if the Receiver (Customer) chooses not to break down pallet(s), and count and sign for the actual

number of cartons delivered. Breaking open shrink wrapped pallets, counting and signing for the number of cartons received on the Carrier Delivery Receipt is required by the James Trogolo Co. before accepting a shortage claim and request for credit.

### **Freight Claims**

All merchandise is carefully inspected before packing into cartons and being shipped from our Distribution Facility. Claims for missing cartons and visible damage must be made within 10 days of receipt of the shipment. Freight claims for shipments sent Prepaid will be processed by the James Trogolo Co. when advised by the Customer. Freight Claims for shipments sent Collect or FOB from our Distribution Center will need to be processed by the Customer. Failure to report shortage or damage within the 10 day period may result in a refusal of the claims by the Center and a subsequent loss to the Customer.

### **Terms and Conditions**

For initial orders, a completed and signed Trogolo Credit Application and resale certificate must be submitted to the Credit Department before the order will be processed.

Minimum Order Amount For Open Credit Terms: \$750.00.

Any order placed below the minimum will require a credit card number be given at the time the order is taken. Minimum order size \$250.00. If a credit card can not be supplied then a check for the amount of the order plus

12.5% for freight will be required.

The James Trogolo Co. will not accept cancellation requests for Custom Orders or other Direct from manufacturer shipped orders.

Order cancellations must be made to the the James Trogolo Co. Customer Service Department at 618-542-5632, a minimum of 15 days prior to the requested ship date of the order.

The cancellation request will not be deemed authorized until the Customer Service Department provides a Cancellation Confirmation Number to the customer.

Should a customer receive an order that the customer claims was previously cancelled within the James Trogolo Co. cancellation guidelines, and they cannot provide the James Trogolo Co. Cancellation Confirmation Number, it will be assumed authorization was not provided. A 15% restocking fee will be assessed for a return and customer will be responsible for all shipping charges.
